# LION PRIDE

Mr. Charles Ucker  
Head Varsity Coach

The football season of 1976 can be summed up in this way — LION PRIDE. El Monte played some very, very fine teams — and lost. Three of these teams from the Rio Hondo League, So. Pasadena, San Marino and Temple City went into the C.I.F. playoffs. But even against this type of tough competition, the El Monte Lions "hung tough" most of the time. I, as their head coach, took pride in these men on the 1976 team. They did not give up, and they improved.

Offensive starters. Tightend, Jim Johnsen and Victor Salmon. Tackles; Jack Sunabe, Jerry Crafton, and Roger Gaff. Guards, Ray Chavez and Rodolfo Alberti. Center; Felix Pena and Bill McClendon. Q.B.; Sal Navarro, F.B., Phil Armijo and Gilbert Orozco. Halfbacks; Gabriel Campero, and Albert Tnay. Splitends, Larry Weston, Jesse Ramirez, and Randy Reyes. Defensive starters. Ends, David Ruiz, Frank Lara. Tackles, Joe Rosas, John Hutton, and Jeff Giordano. Outside linebackers; Victor Salmon, Bowman Perrin, and Ralph Romo. Inside linebackers; Gilbert Orozco and Roman Carrillo. Defensive backs; Randy Reyes and Jesse Ramirez. Safety; Larry Weston.

The following table shows the results of the regression analysis for the dependent variable "Number of children in the household" (N = 1,000). The independent variables are "Age of the head of household" and "Gender of the head of household". The table includes the coefficient estimates, standard errors, t-statistics, and p-values for each variable.

| Variable   | Coefficient | Standard Error | t-statistic | p-value |
|--|-------------|----------------|-------------|---------|
| Age of the head of household                           | 0.001       | 0.000          | 1.2         | 0.23    |
| Gender of the head of household (Male = 1, Female = 0) | -0.05       | 0.02           | -2.5        | 0.01    |
| Constant   | 1.5         | 0.1            | 15.0        | 0.00    |

The results indicate that the age of the head of household has a small positive effect on the number of children in the household, while the gender of the head of household has a small negative effect. The constant term is significantly positive.

The feeling of excitement filled the crowd and the Homecoming Court, as the lights dimmed and the name of the 1976 Homecoming Queen was to be announced.

The name of Viki Cruz lit the stadium in fireworks. Last year's Homecoming Queen, Eleanor Gomez, crowned Viki Queen as the band played "Somewhere Over the Rainbow." The princesses were Yvette Ortega, Jenny Cordero, Cindy Simonds, and Nancy Crehan.

1. The first step is to identify the problem. This involves understanding the current situation and what needs to be changed.

2. The second step is to set goals. These should be specific, measurable, achievable, relevant, and time-bound.

3. The third step is to develop a plan. This involves identifying the resources needed and the steps to be taken.

4. The fourth step is to implement the plan. This involves putting the plan into action and monitoring progress.

5. The fifth step is to evaluate the results. This involves comparing the actual results with the goals and making adjustments as needed.

### SNAKE

Just sitting on a seat  
Trying to rest your brain  
Just sitting around  
Feeling no pain

You ought to go to class  
But no one really cares  
Only keep one eye open  
You don't need no sudden scares

You know the one to look for  
The man is rather tall  
We all REALLY like the guy  
He's known by one and all

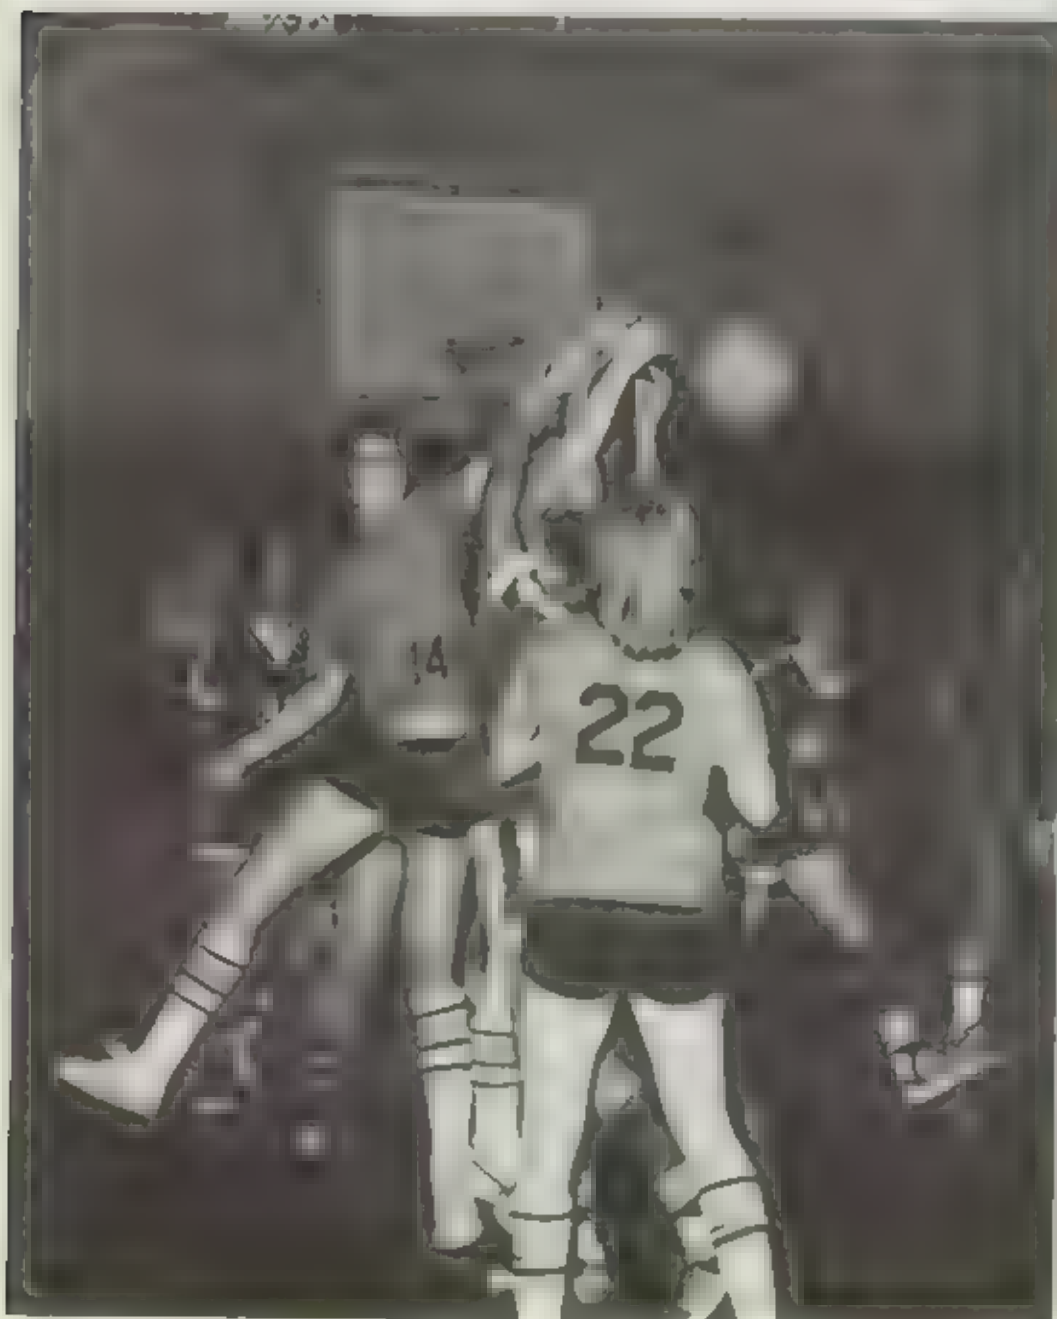

He's called by several different names  
And there's one we like best  
You'd probably never guess this one  
It's different from the rest

So if you don't know just who I mean  
It's time you should awake  
When you hear a hissing down the hall  
BEWARE! For it's the "SNAKE"

# *OUTSTANDING SENIOR*

Each year C S F chooses one of its members as the most outstanding senior, based on his or her academic achievements as well as other contributions to the school and community. This year's C S F Outstanding Senior is Brian Devor. During Brian's four years at El Monte, he has attained an outstanding academic average of all A's except for one B. He was a semi-finalist for the University of California Regents' Scholarship, for the National Merit Award, and the Bank of America Award. But Brian's achievements have not all been in the academic field. In his junior year Brian was chosen for his leadership qualities to go to Boys' State and throughout his years at El Monte has participated in numerous varsity sports, including being chosen Most Valuable Player in wrestling. Brian will join a very select group of El Monte graduates as 1976-77's Outstanding Senior.

## GIRLS' STATE

Each year the faculty meets and selects an outstanding girl to represent El Monte at Girls' State. This year Jeannette Sandness will travel to Sacramento State University the first week of summer vacation to learn the practical side of government. Good luck Jeannette. We will be looking forward to your return in September to share all you have learned.

## SERVICE ABOVE SELF

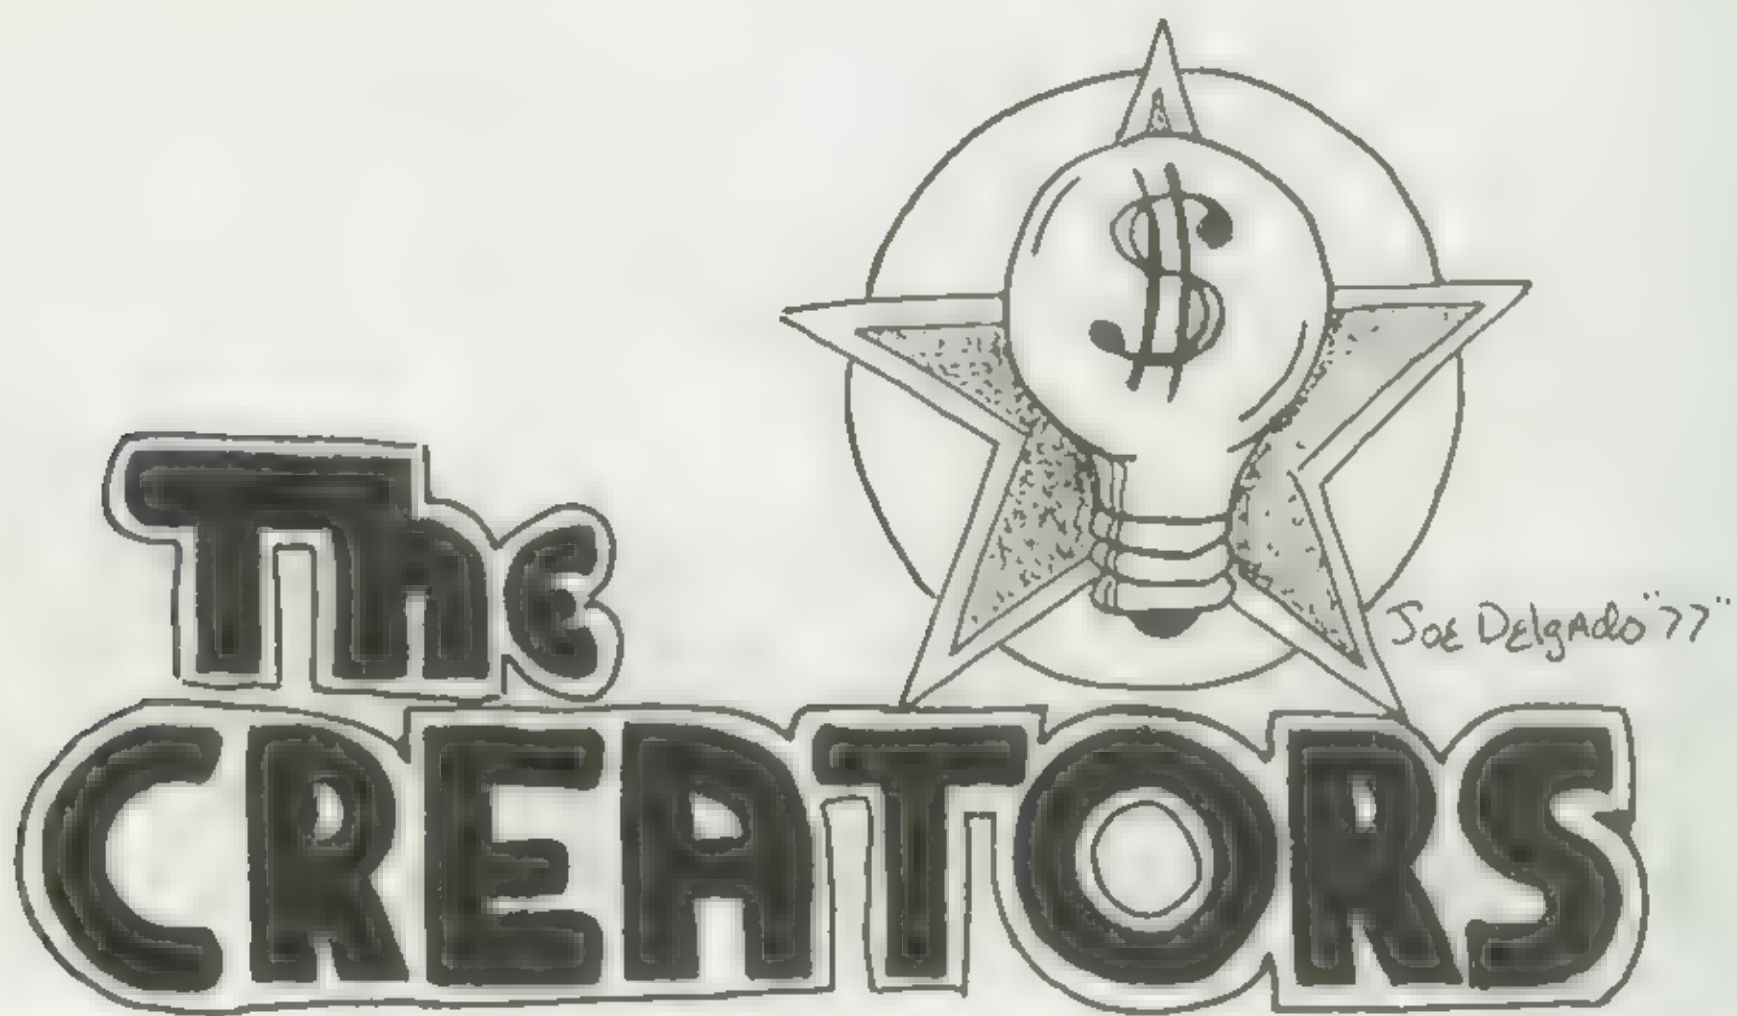

This award is given each semester to a deserving person. These students give of their time and effort without any recognition. They receive a plaque with their name on it, and their names are also inscribed on the Rotarian Trophy in the main trophy case. The award is given by the Rotary Club, their motto being "Service Above Self." This award has been given at El Monte for the past twenty-seven years.
